UKI CUP - General Rules

- This event is open to all dogs and handlers irrespective of their level in UKI and their organization affiliation.
- There is no pre-qualification necessary to enter classes.
- There is a separate competition for each jump height.
- Dogs and handlers need to be UKI members. Memberships can be completed online at www.ukagilityinternational.com
- Dogs may only compete in one height throughout the whole event.
- Handlers who are collecting points for Canadian Open Byes must be the same dog and handler partnerships that compete in these events at the Open and must run in the height that the Q's and Bye's were gained at.
- The same handler must compete in both rounds of a class.
- Classes will be run in strict running order. Running orders will be randomly drawn for the first round of each class of Agility Biathlon, Masters Series Heat, Speedstakes Challenge and Games Challenge all consist of 2 rounds.
- Classes will be run under UKI rules and regulations with additional rules detailed below. Any further amendments will be posted and or announced in the event confirmation letter.
- UKI reserves the right to rule at the event on anything not covered in these rules. Any amendments to these rules will be posted.
- Eliminations in all classes except where noted differently in the individual class rules, will score 100 faults.
- No shows in any class except where noted differently in the individual class rules, will score 1000 faults.

The Cup's Overall Winner – Each jump height will produce the best scoring dog from the overall results for the following events of Agility Biathlon, Masters Heat, Games Challenge & Speedstakes Challenge. The Winner will be granted an automatic spot in the National Championship Final and automatic entry into the Masters Final at the 2021 UKI Canadian Open.

The Cup's Overall Reserve (the 2nd place dog in each jump height) will receive an automatic Bye into RD 2 of the UKI National Championship class.

The Cup's Biathlon Winner – Each jump height winner of the Cup Biathlon will earn a Bye into RD 2 of the UKI National Championship class. (Eliminations in either class are excluded)

All 4 Cup events: Agility Biathlon, Games Challenge, Masters Heat & Speedstakes Challenge must be entered; running all classes for competition to be eligible for the Cup's Overall Winner result.

The tabulation for the Overall Cup will be based upon the number of dogs entered within each jump height in each event. The winner of the event (i.e. Speedstakes Challenge) will receive the highest points which is equal to the total number entered in that jump height. Example: If 12 dogs are entered in the 22 inch height in the Speedstakes Challenge then the winner will receive 12 points, 2nd place 11, 3rd place 10 and so on. All dogs entered will receive the points based upon their ranking, even if they are not eligible for the Overall awards

- Only one handler may compete with the dog throughout the entire event to be eligible for the Cup's Overall Winner tabulation.
- A no-show in either class will result in disqualification from that competition, including awards and entry into the Cup's Overall Winner result.
- Double Eliminations for each competition will not be placed in that event and will score 0 for the Cup's Overall Winner tabulation.
- If a dog obtains a double elimination in TWO events, they are no longer eligible for the Cup's Overall tabulation.
- In the event of a tie for the Cups Overall Winner, the Masters Series Heat placement will be the deciding factor and if necessary, followed by the Agility Biathlon, then Speedstakes Challenge, then Masters Heat.
- Should a dog win the Cup's Overall Result but had previously obtained this result at another Cup, the result will not move down to the next placing dog.
- Should the Overall Cup Winner or Reserve winner choose not attend the Open or try out for WAO, these points will not move down to the next placing dog(s).
- If interested in trying out for the WAO Team USA spots, then you must run in the correct height for the tryout.

Masters Series

See below for detailed rules

Managing Conflicts for Handlers with Multiple Dogs

In the initial classes of each event a random draw will produce the running order. Handlers with more than one dog will have their running orders altered to achieve the following:

- A gap of 10 dogs (9 dogs between their runs) will be created by moving the first-drawn dog earlier in the running order. If this does not achieve a 10-dog gap then the second-drawn dog will be moved down in the running order.
- If there are not enough dogs in the class to achieve the 10-dog gap the biggest gap possible will be created. If this gap does not achieve the minimum 10 dog gap, then a break of 5 minutes will be given. The 5-minute countdown will start as the handler's first dog crosses the finish line; the handler must enter the ring with their second dog before the countdown is complete.
- Handlers with more than 2 dogs will have their dogs split using the 10-dog gap rule. If there are not enough dogs to achieve this, the dogs will be split evenly through the running order and the 6-minute rule will be adhered to. If a handler has dogs in different height divisions, and the 10 dog gap can not be achieved, the 6 minutes will run through while the jump heights are being changed.

In seeded classes: A handler must notify the results office within 30 minutes of the results being posted of the previous class in that particular event if they wish to move their running order for the next round or given the 5 minute break. Failure to do so will mean they will be moved.
